First Regular Session of the 118th General Assembly (2013)

HOUSE CONCURRENT RESOLUTION No. 15

A CONCURRENT RESOLUTION urging the Indiana Department of Transportation to designate the entire length of U.S. 41 as a Purple Heart Trail.

Whereas, It is fitting and proper to never forget those who have given their lives and shed their blood in defense of this great nation;

Whereas, A Purple Heart Trail system is well established throughout a large part of the United States interstate highway system and the United States designated highway system in the lower 48 states as well as highways in Alaska, Guam, and Puerto Rico;

Whereas, Indiana is located in an area that is part of the National Purple Heart Trail system and will add credence to those dedicated routes;

Whereas, Indiana should be proud to join this worthy effort to establish a Purple Heart Trail across our great country;

Whereas, The placement of signs indicating Purple Heart Trail will show that Indiana is a part of this nationally existing system; and

Whereas, U.S. 41 is an excellent choice to establish the Purple Heart Trail in the state of Indiana: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

HC 15—HC1000/DI84
